## Château Preuillac Esprit de Preuillac 2018

### AOC Médoc

Located in the heart of Médoc, 10 km to the north of Saint Estèphe, the vineyard of Château Preuillac covers 30 hectares in a single stretch. Facing due south, it enjoys outstanding exposure to the sun, providing ideal conditions for the grapes to ripen. All the work on the vines is carried out exclusively by hands in order to compose the best wine possible, well balanced, harmonious, allowing the fruit to express itself to the fullest.

Château Preuillac earns well-deserved recognition since 1932 when it is included in the Crus Bourgeois classification created that year. With the constant pursuit for quality, Château Preuillac has established itself as a reference among the great Médoc wines and Cru Bourgeois.

#### Tasting Notes :

“There is a lovely perfume here which perfectly captures the essence of this part of the Médoc and it is very interesting. Nicely polished and honed, with a good smooth mid-palate and some bright, crunchy tannins, this is a superb second wine and I anticipate it drinking within two years but also be able to hold well for a further five.”
